

Rare Masquerade Ball

Benefitting the
Evans Syndrome Foundation

October 21, 2017

Unmask Evans Syndrome

Excitement is building for the inaugural Rare Masquerade Ball hosted by Evans Syndrome Foundation! This community fundraiser will take place from 7:30pm to 11:30pm on October 21, 2017 at the home of Dr. and Mrs. Michael Oslund (10321 Hart Branch Circle, Orlando, Florida). Our goal is to unmask Evans Syndrome.

About the Ball

The Rare Masquerade Ball will bring together community members, benefactors and leaders for a lovely evening of music, hors d'oeuvres, dessert, libations, an auction and surprise entertainment. Food and drinks will be catered by Vital Flair Catering. It's the perfect mix of community networking to help the Foundation.

About Evans Syndrome

Evans Syndrome is a very rare, autoimmune, chronic blood disorder where the body creates antibodies that kill the red blood cells, white blood cells and platelets. One in a million people are diagnosed with Evans Syndrome. There are around 500, known, cases worldwide.

Funding Research

By becoming a sponsor, you will support research specific to Evans Syndrome conducted by Dr. David T. Teachey, MD at the Children's Hospital of Philadelphia.

Also, by supporting the Evans Syndrome Foundation, you will be part of an amazing group of Lake Nona area residents who have dedicated precious resources and countless hours to unmask Evans Syndrome.

To learn more about Evans Syndrome Foundation, please visit www.evanssyndrome.foundation.org.

Thank you for your consideration.

Evans Syndrome Foundation is a 501c3 non profit
